

Instructions for IDW '24 Exhibitors

The 31st International Display Workshops (IDW '24) is going to provide an exhibit hall for display suppliers and equipment manufacturers, among other features. You can expect visits to your exhibition booth from the conference attendees, who consist mostly of technological experts in the display industry. Last year's IDW '23 which was held at TOKI MESSE Niigata Convention Center, with 1,042 participants from 19 countries/regions. This year, we will hold an on-site exhibition of display-related technologies in conjunction with the IDW '24 conference.

Display devices, appliances, manufacturing equipment, measuring instruments, software systems, components and materials for display technologies will be welcomed. Please fill in the Application Form and send it to the IDW '24 Secretariat by no later than Oct. 25th.

We will provide an incentive for new exhibitors at the IDW exhibition. New exhibitors at the IDW exhibition can only apply for booths at a rate of 50,000 yen, which is half the regular exhibition fee. However, the booth size will be smaller than the regular booth.

Customs Procedure for Foreign Exhibitors

We cannot advise or comment about anything on Japanese customs procedures when shipping equipment. However, many foreign exhibitors have been assisted by their Japanese subsidiaries or representatives.

Important

The event may be canceled due to reasons that cannot be attributed to IDW, such as natural disasters and orders from public offices (including those due to the effects of the Covid-19 infection). IDW shall not reimburse the exhibition fee in such cases, and will not be liable for any damage caused by

non-reimbursement.

All other equipment and expenses for transport, setup, dismantlement, and insurance have to be prepared and paid for by exhibitors. Exhibitors are not allowed to sell goods in the exhibition.
